FIRST CHAIR AWARDS

Now in its ninth year, the annual First Chair awards program recognizes America's most innovative and accomplished in-house counsel for their achievements and significant contributions to the legal community. This full-day conference program, followed by an evening awards gala, has become the must-attend event for in-house counsel and their partners in the private legal community.

Attended by more than 400 attorneys from around the country this event will honor in-house counsel, from some of the country's most recognized companies, that have made significant contributions to the legal community.

The event includes a full day of CLE programming presented by First Chair faculty for our in-house counsel community and select sponsors. The full-day event will include a General Counsel Panel followed by a private luncheon. Thereafter, attendees will be able to choose from a number of Breakout Sessions led by top law firm practitioners and members of the in-house community.

After the Conference, First Chair will host its 2019 Award Gala at Venue SIX10. The gala will feature plenty of food and drink with great networking opportunities.
